WELCOME

TO THE FALL WINTER OF ELFARO'S

ABOUT US

ILKCAN Clothing Industry and Trade Limited Company was established in 1987 and then, with the ELFARO brand, it has achieved the best service and quality as soon as possible and wants to carry it to the top with you.

The meaning of the signature we put on our products: Quality and trust show that we are the best in suits, coats, trousers, jackets and clothing.

Today ILKCAN Clothing industry and trade limited company contributes to the national economy and exports to countries such as Switzerland, Greece, Middle East and Russia. Marketing offers an effective and fast alternative and provides professional employees with the fastest and best quality services with its Fashion Equipment and Fashion Designs.

Our customer-oriented management philosophy provides the best service by keeping the quality of our products and services at the highest level in order to improve our competitiveness in the growing clothing sector with the globalizing economy and developing industry.
